

# Try ClickShare for free for 30 days

## Now also with meeting room peripheral

Many of our ClickShare customers say that our wireless presentation and conferencing systems have completely changed the way they are running meetings. They say that ClickShare has made presentations and meetings less frustrating, more efficient, and more fun. Thanks to meeting room peripherals, instant wireless conferencing is made simpler and easier with enhanced audio and video experience.

In fact, we are convinced that you would love any minute of your ClickShare experience as well. That's why we give you the opportunity to try ClickShare with meeting room peripheral for 30 days, free of charge, without any obligation to buy.

### How does it work?

- **Register** for a free trial at <https://www.barco.com/en/clickshare/try-and-buy> and let us know where you want your ClickShare trial unit (with the meeting room peripheral) to be shipped to.
- **Try** your ClickShare device (with the meeting room peripheral) for 30 days and experience it for yourself. No training needed.
- **Decide** whether or not you want to buy ClickShare (with the meeting room peripheral). You will be informed about the free return collection arranged by our logistics partner.

## Your 30-day free trial is available for these ClickShare models and the bundle with alliance brands:

*\*The try & buy program is only available for end customers with a valid VAT number in Austria, Belgium, Denmark, Finland, France, Germany, Ireland, Italy, Luxemburg, Netherlands, Spain, Sweden and United Kingdom.*
